

Loyalty Programm *Regata+*

Rewards gallery

Dear guests,

with our *Regata+* loyalty card and the original Regular Customer Card, you can enjoy the benefits of the loyalty program at one of our two hotels.

The **main advantage** is the permanent **10% DISCOUNT** on prices for accommodation and other goods and services. The condition for obtaining the discount is the booking of accommodation at Hotel Horizont in Pec pod Sněžkou or Hotel Port at Macha Lake in person, via telephone, e-mail or online from the hotel websites. For accommodation ordered through an intermediary, the loyalty cardholder obtains the discount only on goods and services purchased at the hotel.

Another **advantage** of the program is the **acquisition of loyalty points, 1 point for every 1 CZK paid**. You can redeem these points for rewards from our **REWARDS GALLERY**:

How to obtain and use the loyalty card?

The hotel receptionist will give you the card if you submit a completed registration form and spend more than 5000 CZK for services and goods purchased at the hotel. The registration form is enclosed in the hotel guide in your room. It is also available at reception and on the hotel websites.

At the end of your stay at our hotels, the number of points on your loyalty card will be updated at reception. The card is non-transferable and maximally 2 rooms can be drawn on 1 card. Discounts and bonuses are counted at prices including VAT and are not added together.

When redeeming free nights for points from the loyalty program, you must indicate this fact when booking your stay and provide the loyalty card number or issued voucher number.

The free nights for points from the loyalty program are deducted from the total price, always at the price confirmed to the guest when booking the stay.

The vouchers for the REWARDS GALLERY are always valid for 6 months starting from the date of handover of the voucher.

The e-mail for booking accommodation and other services is:
