

CORPORATE EVENTS IN THIS YEAR'S STYLE

Have conference and meeting rooms become a bore? Would you like to make your conference or seminar more interesting?

We have news for you...

All aboard!"

YOUR PORT AT HOTEL PORT...

NEW THIS YEAR

The newly reconstructed ship Máj can now anchor at the dock at Hotel Port.

We can also offer you the premises of the ship as an alternative to the standard conference room, or as a banquet hall.

CHANGE THE SETTING

An afternoon seminar aboard the ship or creative teambuilding below deck instead of in a meeting room... these are some of the ways you can change your meetings.

The ship has a complete sound system

Capacity for up to 250 people

Capacity for meetings below deck for up to 70 people

NEW CATAMARANS IN OUR PORT

This year, we will be procuring new catamarans for our guests. They will be nicer, newer and more modern.

YACHTING

We still offer the option of afternoon yachting lessons, which you can combine with a number of activities. This activity is more appropriate for smaller groups.

EVENING BANQUET WITH MUSIC ON THE WATER RIGHT BY THE HOTEL

Have you already enjoyed our outdoor barbecue, evening banquet in the dining hall, or are you simply looking for a way to liven up your evening?

Come aboard and set sail over the lake with a sumptuous banquet and live music.

Evening banquet with music available for up to 100 people

TASTING ON THE SHORE OR ABOARD THE SHIP

An evening cruise or barbecue can begin with a tasting of rum... but not just rum. We can also prepare a tasting of whisky, port or wine.

SAILOR'S / HAVANA BAR

We will prepare the sailor's/Havana Bar with service and selected cocktails for your entertainment. We can also set the bar up outside in good weather.

WE LOOK FORWARD TO SEEING YOU!
