**Dear guests,**

**Port Hotel is open for you without any restriction of services.**

**However, we ask that you observe the following current government regulations:**

1. **Before arriving at the hotel, the guest must not have symptoms of COVID-19.**

2. **During check-in, the guest will present one of the following confirmations (except children under 12 years of age):**

- they have completed vaccination against COVID-19, whereas minimally 14 days since the last dose

- they have laboratory confirmation of having recovered from COVID-19, the isolation period has passed and no more than 180 days have passed since the first positive antigen or PCR test

- they cannot be vaccinated for health reasons and vaccinees who do not yet have a valid certificate, including those after the first dose, must prove by a PCR test with a negative result not older than 72 hours.

- they do not meet any of the above mentioned conditions, visit the hotel for a business or business trip and must prove by a PCR test with a negative result not older than 72 hours.

Throughout the stay, it is necessary to wear a class FFP2/KN92 respirator or nano mask when indoors.

Thank you for your understanding.

The team at Port Hotel
