

Dear guests,

Port Hotel is open for you without any restriction of services.

However, we ask that you observe the following government regulations:

1. Before arriving at the hotel, the guest must not have symptoms of COVID-19.
2. During check-in, the guest will present one of the following confirmations (except children under 6 years of age):

they have taken a PCR test with a negative result no more than 7 days ago

they have taken an antigen test at a public testing centre with a negative result no more than 72 hours ago

they have completed vaccination against COVID-19, whereas minimally 14 days since the last dose

they have laboratory confirmation of having recovered from COVID-19, the isolation period has passed and no more than 180 days have passed since the first positive antigen or PCR test

During a stay of more than 7 days, it is necessary to conduct an antigen test with a negative result (self-testing on the spot) in order to extend the stay.

Throughout the stay, it is necessary to wear a class FFP2/KN92 respirator or nano mask when indoors.

Thank you for your understanding.

The team at Port Hotel
